MEMORANDUM FOR: Writers in the CIA Historical Program

SUBJECT : Publication of Key Personnel Named in Agency Regulatory Issuances

1. The CIA Historical Staff has just published a compilation of data on the major assignments of key personnel as cited in Agency-wide regulatory issuances. The period included is from January 1946 through June 1970, which brackets the years covered by most projects in the current CIA Historical Program.

2. This document, which was researched by Mrs. [REDACTED] is for the use of writers in the CIA Historical Program and has been disseminated to the historical officers of each component.

3. To exploit this research aid in the preparation of your history, you should consult the copy held by your historical officer or the reference copy in the CIA Historical Staff, Room 203 [REDACTED] Building.
